MOSSAIO

TILES

MOSAIC TILES

Decorating with mosaics tiles is a very old form of architectural enhancement. In Ancient Rome, having mosaic work in your building was a sign of prestige.

You can commission this rich and permanent artwork for your home or business. At National Tiles we like creating engaging; one-of-a-kind works of functional or decorative art specific to our clients' interests and needs, as well as to the particular space.

Mosaic by National Tiles;

Is a permanent, low maintenance, visually exciting, and perfect for home, office, foyer, factories etc.

- Each project is custom made and one-of-a-kind.
- Mosaic Designs are made from random shades & categories of National Tiles.
- Grouting will not be unified.

We manufacture a wide range of ceramic tiles. All our tiles are carefully selected for quality and appearance.
